## REPORT OF THE BOARD OF MANAGEMENT FOR THE YEAR 1931.

---

The year 1931 has been a momentous one in the history of the Hospital for many reasons, as we hope, will be evident from this Report.

As regards the Patients treated by the Hospital, there has been an increase in the numbers of both In-Patients and Out-Patients, a fact which points, we think, to the sustained confidence in the Hospital of the people of the County, and which is also a strong argument in favour of the retention of such an institution, and of its necessity. Statistics as to the admission and discharge and treatments of Patients will be found on pages 15 and 16.

For the first time for 8 years, owing largely to legacies and special donations, there has been an excess of income over expenditure, and the Hospital is in the happy position of starting 1932 with a credit balance. The Income and Expenditure Account is set out on page 8 and the following pages.

As an augmentation to the services of Dr. Griffiths, for whose devoted interest over a period of 30 years the Hospital is duly grateful, the Medical Staff recently approached five of the most eminent Surgeons and Physicians in Cambridge, with the result that Dr. H. B. Roderick, Dr. Leslie Cole, Dr. J. R. Campbell Canney, Dr. A. S. H. Walford and Dr. J. W. C. Graham have most generously consented to act as visiting Consultants, and to place voluntarily their interest, time, knowledge and skill at the disposal of Patients in this Hospital. It is difficult to express adequately the thanks of the Hospital to these gentlemen, but we have every confidence that their action will be deeply appreciated and will give an added stimulus to the life of the Hospital.

With regard to the building and its equipment, here again we are able to report extensive and important progress. The Entrance Lobby to the Operating Theatre has been enlarged and extended in such a way that there is now, close to the Theatre, an Anæsthetic Room and a Surgeons' Dressing Room. The cost of these, together

with the furnishing, has been defrayed by an anonymous gift of £300 for which the Board offers its grateful thanks to the donor. The Theatre itself is being fitted with the most modern sterilizing plant.

By a clever manipulation of space, there is now a new Massage Department connected by a staircase with, and situated over, the X-Ray Room. This has been fitted with Dressing Rooms for Patients. The X-Ray Room itself has been enlarged and is to be fitted immediately with a "Combined Couch and Screening Stand." This skilful alteration we owe to the ingenuity of Mr. Ladds who generously gave us both his services and his time.

During the year Mr. J. H. Howgate, Mayor of Huntingdon, with characteristic kindness, marked his term of Office by undertaking to raise a fund of £800 for the installation of a much needed Electric Lift. He has already, by his strenuous efforts, collected a sum of between £500 and £600, and it is anticipated that the work of installation will be put in hand in the near future. The firm of Messrs. M. J. Allen & Sons which has carried out the alterations referred to, and which has given the Hospital many generous gifts, has added to its generosity by undertaking to make the necessary structural alterations for the Lift at the cost of labour and materials only, and without any profit to the firm for the work and its supervision. We much appreciate the kindness and the public spirit of Mr. Howgate and Messrs. M. J. Allen & Sons.

During the year a special committee sat frequently to revise and bring up-to-date the Rules of the Hospital. These Rules were presented, and finally passed, at a Special Meeting of Governors on 10th November. In addition to many minor alterations, the money qualification for the offices of President and Vice-Presidents was abolished, and a rule requiring a two year term of residence in the County as a qualification for membership of the Medical Staff was inserted. The weekly payment of 3/6 by patients was abolished leaving contributions to the goodwill of the patients.

In the latter half of the year it was found necessary to hold many public meetings in parishes in the east and

south-east of the county, and to put before the people the claims and advantages of this Hospital. At these meetings the facts that treatment is given here entirely free of charge, and that we have now the services of consultant Physicians and Surgeons for practically every branch of medical and surgical work were emphasised by the speakers.

The following Legacies have been either received or notified during the year;—

Mrs. Elizabeth Anne Ivett, for the Endowment of a bed to be called "Jabez and Elizabeth Anne Ivett Bed" (£500 of this has been received)	£	1000
Mr. Robert Elliston (received)	... ..	100
Mr. W. W. Cranfield (notified)	... ..	500

Under the auspices of the Huntingdonshire Post Newspaper a children's guild, known as the "Bunny Fellowship" was recently founded. The first work of this "Fellowship," at the instigation of the newspaper, was to collect a fund for the endowment of a Children's Cot which is now in being, having been formally accepted by the Earl of Sandwich, on behalf of the Hospital, on the 31st July.

We would take this opportunity of expressing our very real appreciation of the kindness and courtesy of the Hunts. Post, the Peterborough Standard, Peterborough Advertiser and St. Neots Advertiser, and especially of Mr. Gurney, Mr. Pittuck and Mr. Percy Tomson, in furthering the interests of the Hospital.

The yearly "Pound Day" started by the Matron 18 years ago continues to be well supported, and we beg to thank the Matron and her supporters for their unflagging interest, and those many parishes which have given such generous assistance.

We would also place on record our thanks to Mrs. Lawson for her unfailing help. This year Mrs. Lawson has presented to the Hospital two Easy Chairs for the Wards and a sum of £67 9s. 9d., making, with the results of her efforts in past years the sum of £289 6s. 11d.; a very remarkable amount to be raised by the efforts of one person.

We again record our thanks to all those who so successfully organised Hospital Parades and Social Entertainments and Carol Singing; to the Clergy of the Churches of all denominations who gave Harvest Festival and other Collections; to those ladies in the various districts who have supervised the collection of subscriptions and to those who have assisted them.

It is with deep regret we refer to the great loss sustained not only by the Hospital, but the County, by the deaths of Mrs. Emery, Colonel Douglas, Mr. Alfred Jordan (one of the Trustees), Mr. P. W. Carr, Mr. W. W. Cranfield, Colonel D. J. Proby, Mr. John Walker and Mr. S. J. Yeatherd, all of whom have been generous supporters of the Hospital.

Last, but by no means least, it is with a deep sense of regret that we announce the resignation of our much esteemed Honorary Secretary, Sir Arthur G. Dilley. His services to the Hospital cover a period without intermission of 45 years. His has been a record of long sustained personal service. Of all his many activities and interests we believe we can justly claim that the work of the County Hospital has had his greatest sympathy and been nearest his heart. We would express to him our heartfelt thanks and the sincere hope that his connection with the Hospital will not be severed, but that he will continue to give to it his counsel, wisdom, sympathy and genial presence for many years to come.

The following Members having served three years retire by rotation from the Board, and are this year ineligible for re-election :—

Mrs. Linton,  
E. W. Plumpton, Esq.  
W. Sandifer, Esq.  
Mrs. Serjeant.  
Mrs. Welstead.

Signed on behalf of the Board of Management,  
KENNETH D. KNOWLES.  
W. R. GROVE.
